# Melbourne: the Magic Name in Shorthorns

CALROSSIE  
DIAMOND.

Senior stock bull at both Melbourne and Leveldale, he has written a new chapter in modern Shorthorn history. As the sire of International champions, winning gets-of-sire and a host of first-prize winners, his reputation is unequalled. More important, his calves carry the exceptional thickness of loin and quarter so vital to today's beef industry.

BASILDON PREMIUM. From the verdant hills of England comes this important outcross bull with invigorating new blood for the breed. By Basildon Golden Age, he is from a long line of Princess Royals and his dam is by Pittodrie Kavass. A bull of exceptional size and substance, he is noted for his heavy bone and big feet.

THE "MAGIC OF MELBOURNE" lies in its performance . . . year after year . . . in generation after generation . . . in one of the world's foremost breeding programs.

At Melbourne the Shorthorns are an integral part of the large farming operation which includes feeding about 2,000 commercial cattle annually. The registered herd has been developed to aid in the future improvement of these cattle, and the breeding program is planned with that in mind.

Melbourne is not tied irrevocably to one bloodline or one type. The program is simply to develop the best, most modern and most economical Shorthorn cattle to meet the increasingly more exacting requirements of today's volatile beef industry. Thus at Melbourne you will see representatives of every good line of Shorthorn blood being fused together to produce the most efficient beef animal possible.

That's why every tool of the modern cattleman is used at Melbourne to find these very important traits. Many herds talk about increasing the size, substance and capacity of their cattle, but few have done as much as Melbourne. Anyone who has seen the massive Remitall Captain Jim, the big Basildon Premium or Melbourne Masterpiece, will tell you they are bulls with character and size together with the quality that has made Melbourne famous.

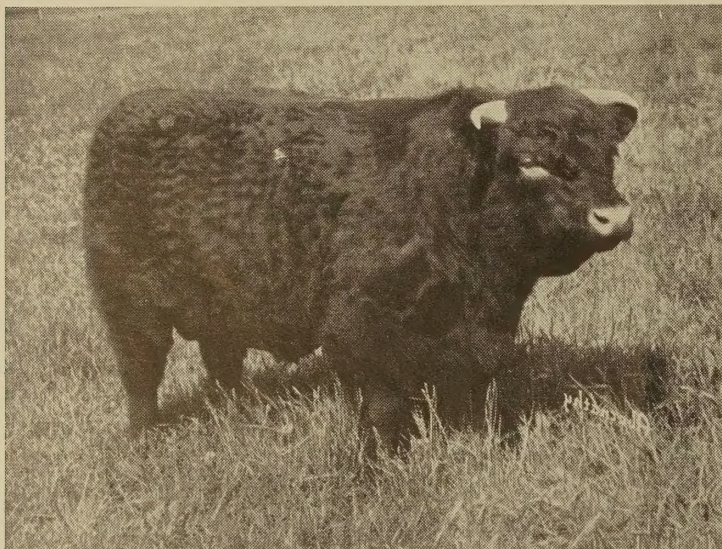

And basis for much of this improvement is the Melbourne cow herd which many call the world's greatest, with an abundance of powerful cows of every good bloodline from throughout the continent and Great Britain.

Lest anyone think that this is just a hodge-podge of champions and top-sellers, all he has to do is pay careful attention to the type and conformation of each individual. This is the kind of unique uniformity that is achieved only after years of careful breeding and judicious culling.

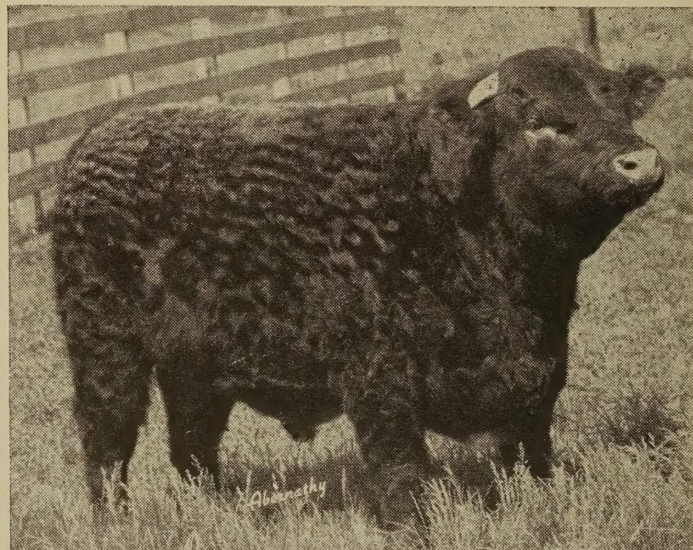

We urge you to spend every available minute on November 5 and 6 inspecting this great herd. There can be no greater guarantee for each bull and female selling than its rich ancestry, conformation and performance.

## ON THE FRONT COVER

Melbourne Pemberton, Lot 1, and Leveldale Blend, Lot 14.

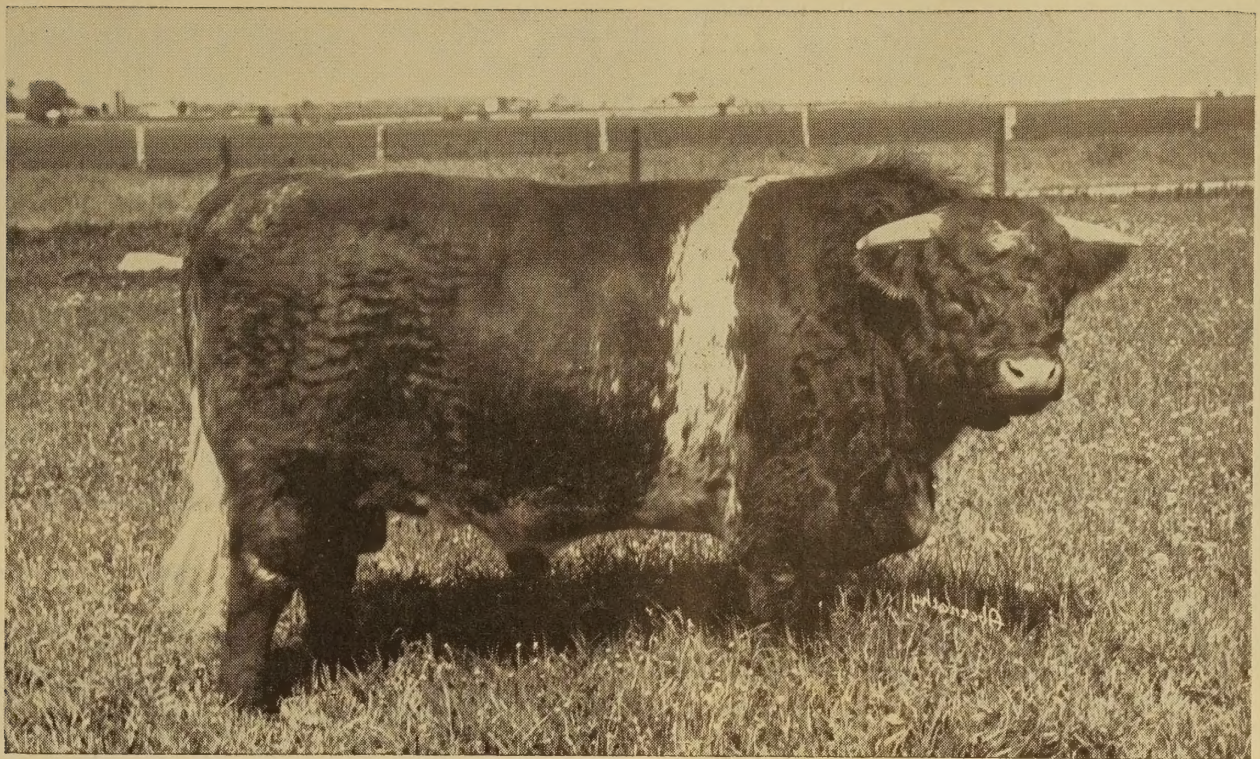

MELBOURNE MASTERPIECE was second top-selling bull of the breed in the U.S. when a two-thirds interest brought \$5,800 in the 1965 Melbourne sale. He is by Calrossie Diamond and is owned jointly with George H. Miller, Thomaston, Ga., the buyer. Four daughters sell November 6.

MELBOURNE CONSORT was top-selling bull of the breed in the U.S. in 1965 when he sold for \$7,700 to Bilmar Farms, Durand, Mich. He is one of the first sons of Basildon Premium and brings this important blood to the successful Bilmar herd.

## REMITALL CAPTAIN JIM

**R**EMITALL CAPTAIN JIM is easily the most talked-about bull of the decade. Since Melbourne acquired him at the top of the 1966 Canadian International Bull Sale, he has grown and developed into the biggest bull of the day. On March 15 he weighed 2,225 pounds on pasture at Melbourne.

Study the pedigree at right. Kelburn Great Event needs no introduction. He blazed a meteoric trail across the continent as a sire for Remitall and now is in service at KC and Royalty as well. Among others he sired this year's \$8,000 top bull at the Canadian International purchased by John Shuman and Bob Davison of Colorado.

Rannoch Costly Lily 120th produced two full brothers to Big Jim—the Denver champion Remitall Baronet 2nd and Remitall Triumphant, in service for Tom Hawkins of California. Rannoch Contribution was twice first-prize at the Royal Winter Fair and both times a member of the best pair of bulls.

Pittodrie Fortune was first at Perth where he sold for \$10,000 to T. G. Hamilton.

Here is new blood for Shorthorn breeders everywhere with the emphasis on size, scale, substance and stamina. From the sensational Melbourne brood cows, Big Jim is producing some of the best young calves yet seen at Melbourne. Plan to see them on November 6!

MELBOURNE CRUISER by Basildon Premium was first-prize junior yearling and reserve senior champion at the International. Cruiser is out of Leveldale Crocus 12th by Glamis Grenadier and sold in the Melbourne sale at \$2,350 to Dewey Lunstra, Beaver Creek, Minn.

LEVELDALE GOODWILL sold in the Mathers consignment in the 1966 Melbourne Sale for \$6,300 for two-thirds interest and possession to Tempel Farms, Wadsworth, Ill. He is by Leveldale Peerless and out of Crichton Pearl Drop 2nd by Tolquhon Bosco. He was top-priced Shorthorn bull in the U. S. in 1966 and was reserve All-American junior yearling.

# MELBOURNE PEMBERTON Lot 1

Junior stock bull at Melbourne, his first calves will be on display sale day. He combines the blood of Basildon Premium, Calrossie Diamond and Leveldale Basis.

## Lot 1 MELBOURNE PEMBERTON 3237-820

MALE, dark roan, calved Jan. 2, 1965. Bred and owned by John Alexander & Sons, Big Rock, Ill. Tattoo LE 5A1

MELBOURNE PEMBERTON — This bull was earmarked for herd bull duty when he dropped, and wouldn't be sold except that his sire is still going strong, and we don't have enough use for both of them. Shown as a junior calf, he stood first at the Illinois State Fair, second at the American Royal, and fourth at the International and second to grand champion at Denver. As a junior yearling, he was second to his half brother at the International and has continued to develop well since. His dam is one of the best daughters of Calrossie Diamond and his granddam was a typical Leveldale Basis cow, with size, bone and smoothness. Best of all, the first Pemberton calves are on the ground, and his first calf, Melbourne Goldie Grace 2nd, has been a show prospect from the day she dropped with all the makings of a top female. We have a supply of semen from Pemberton, and will sell two-thirds interest and possession. See what this bull has done here. He could solve the herd bull problem in many herds. Weighed 1,650 pounds on September 2.

# The Illinois State Fair Junior Champion Sells!

**MELBOURNE REVELATION** — The junior champion bull at the 1967 Illinois State Fair, he is sired by a son of Diamond that left many good cattle here. His dam is a growthy cow by Uppermill Seafield and his maternal sister by Beaufort Cuptie is one of the best young cows we have in the Melbourne herd. Revelation is the smoothest bull we have produced, with the proper thickness and balance. Everyone that has seen him is impressed with his quality, and we predict a good future for him. Weighed 1,230 pounds on September 2.

Her first calf, Melbourne Goldie Grace, a full sister to Gordon, has been an outstanding show winner for us. Her latest win was the senior championship at the 1967 Illinois State Fair after she had produced a February heifer calf! Two of the best brood cows at Arnold & Brooks are full sisters to Butternut Goldie 4th, and this calf can be an outstanding breeding bull with these good cattle behind him. MELBOURNE AVONDALE — This is the last of a line of good bulls from a grand producing cow purchased near the top of the 1955 Louada sale. Avondale is a full brother to Melbourne Austin, used by Joe Huckfeldt, Gordon, Neb.; Melbourne Alliance, used by James Reed, Elmwood, Ill.; and Melbourne Archer, used by Lisle Farquhar, Coin, Iowa. He is a maternal brother to Melbourne Jamboree, used by Cross Bros., Douglas, Wyo. One sister, by Calrossie Valiant, went to Kickapoo Farms, where she produced the top bull in their 1961 sale. Another sister, by Basilton Premium, is a valued member of our own herd, and the old cow topped her career with a full sister to Avondale that will certainly be kept for herd replacement. Her calves sold have averaged \$1,700 and the daughters in the herd would be worth that much or more. We have used Avondale liberally and he is very sure. He stood third in the junior yearling bull class at the 1967 Illinois State Fair, and was in our bull groups and get. We can recommend this son of Calrossie Diamond very highly. Weighed 1,365 pounds on September 2.

MELBOURNE VALIANT — A two-year-old son of Calrossie Diamond, out of a 1,600-pound cow by Glastullich Paragon. We kept this bull back last year as insurance and he has been on loan through the summer, serving more than 30 cows. He won't be in top condition, but you will appreciate his great head, his bone, and his size. Valiant will be ready to go to work for his new owners, and could well be one of Diamond's top breeding sons. Fifty-five ampules of frozen semen will go with him.

MELBOURNE AVONDALE, Lot 7

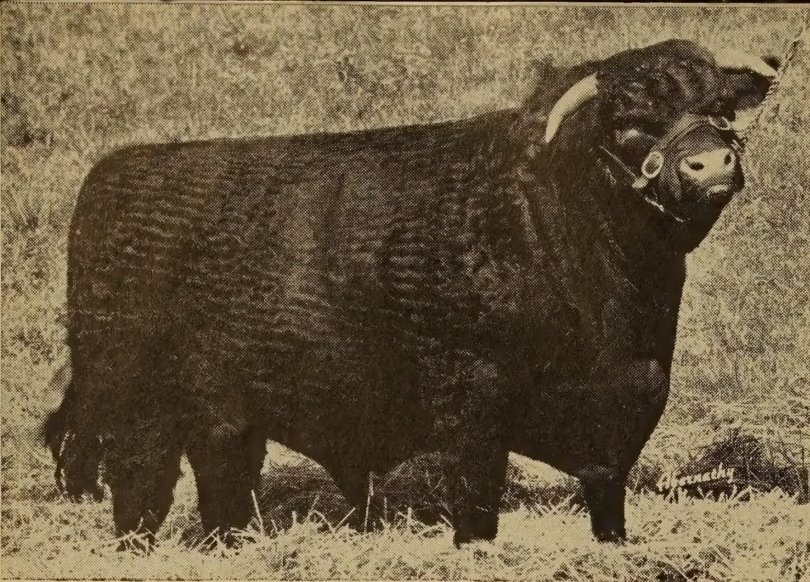

MELBOURNE BRIGADIER — One of our favorites and a full brother to Melbourne Upright, twice a class winner at the International and stock bull for Carusbrooke Farms, Peru, Ill. Like his brother, he is big and thick, with plenty of bone. Their dam is a big, smooth Leveldale Basis cow, produced when we mated Basis with his maternal sister. We haven't shown this bull as yet, but intend to have him with our show herd at the American Royal. Weighed 1,235 pounds on September 2.

MELBOURNE ACCOLADE — A Basildon Premium bull very similar to Melbourne Cruiser, the first-prize junior yearling and reserve senior champion at the 1966 International that was purchased by Dewey Lunstra, Beaver Creek, Minn. Accolade's dam is the only white cow ever purchased by Les Mathers in Scotland. She is a big, thick, beautiful cow by Calrossie Christmas Carol. Her past calves have been Leveldale Amorist, sold to Charles Bunker of Wisconsin, for \$2,000; Leveldale Annuity, sold to Inness Farms and Darrel Steck of Illinois, for \$2,200; Leveldale Apollo, sold to John Land & Sons and Robert Almy of Illinois for \$950, and Melbourne Augusta Trilby, a grand Diamond heifer we are keeping. We intend to show Accolade at the American Royal, and we think he could prove to be one of the best sons of Basildon Premium. He has a white stripe on his left side which doesn't appear in the photo. Weighed 1,015 pounds on September 2.

MELBOURNE ROTATION — This is a big calf, with exceptional smoothness that moves on good sound feet and legs. He is sired by one of the best young breeding bulls in the country today, Shore Acres Premium. His dam, a beautiful daughter of Calrossie Diamond, is a growthy young cow out of one of the best old cows that laid the foundation for the Melbourne Herd. She is gone now, having produced her 14th calf this spring. This is the kind of prolific breeding that produces stock bulls. We intend to show Rotation at the American Royal. We feel he will be another of those great breeding bulls from this Roth's Queen family. Weighed 1,085 pounds on September 2.

MELBOURNE ACCOLADE, Lot 11.

MELBOURNE AUDITOR — A Basildon Premium bull that will need more time to show his potential, but has the size, bone, and depth indicative of the Premiums. His dam has produced many good bulls, including Calrossie Privateer, used by Richmond Robison & Sons of Illinois, at \$3,000; Leveldale Achievement, used by Tom Reedy and Berl Wilson of Illinois, at \$2,400; Leveldale Arrant, used by William Velde of Illinois at \$2,350; Leveldale Arrogant, used by Donald Benson of Illinois, at \$575, and Melbourne Atlas, used by William Dunham of Illinois, at \$675. With this kind of breeding background, you can afford to wait on this growthy calf. Weighed 760 pounds on September 2.

LEVELDALE BLEND — He was selected as a future herd sire the day he was born. At Leveldale most of the bulls we have used were calved on the farm. Certainly he is one of Calrossie Diamond's best sons. He is from a beautiful cow which we selected in Kickapoo's sale with the hope that she would produce us a bull we could use. His calves are all that we expected, a few of them will be in evidence in the sale. We now have a younger son of Diamond that we wish to use and are now fairly sure we will get our imported bull home in the near future, so we can spare Blend as an attraction in our offering. We will keep a one-third interest and give possession as we have a supply of very potent semen frozen.

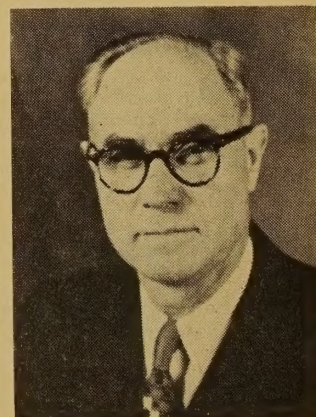

### A Word From "MR. SHORTHORN"

WE AT LEVELDALE are proud to join with Melbourne and our other friends and consignors to sell our productions. We are offering our bull crop and particularly all the young females from the herd. Certainly our crop of bulls plus the list of top bulls from Melbourne offer the public a fine selection in numbers that affords everyone an opportunity to fill his needs. The quality is there, as usual. The breeding is as good as is to be had.

We recommend to our friends the entire offering, knowing that all the consignors wish their customers to get good value for their money.

# 8 Leveldale Peerless

**T**HOSE BREEDERS looking for new blood may well find the answer in the sons and daughters of Leveldale Peerless. Here's what Les Mathers has to say about Peerless:

"I named Leveldale Peerless and marked him for a herd sire when he was one day old and have never waivered in my opinion of him. The record his first crop of calves have made at the recent Illinois State Fair stamps him as one of the better sires used at Leveldale."

"His dam, Princess Charming, was purchased with the expectation of breeding a herd bull, and she produced. Since then she has produced Leveldale Prodigy that is siring great calves for Jim Shea. She then went to Melbourne where she has produced three outstanding calves by three different sires. Such is the breeding that works improvement in the breed."

The first full crop of Peerless sons to sell in the 1966 sale averaged \$2,690! Top of these at \$6,300 (for two-thirds) was Leveldale Goodwill sold to Tempel Farms, Wadsworth, Ill. Leveldale Luster brought \$2,800 for two-thirds from Richmond Robison & Sons, Delavan, Ill.

Unfortunately, Leveldale Peerless was lost this spring . . . much

# Sons Offer Invigorating Outcross Blood!

too soon in a breeding career as successful as his show record. Thus, after this sale there will not be many more. Here is your chance to tie to a line already proved successful from the nation's Herd Bull Headquarters.

The so-called "secret" of the Leveldale success is well explained by Les Mathers, "Mr. Shorthorn" himself. The bull is the key to the entire program. Year after year — generation after generation, since 1922 — Leveldale has always had at least one truly great breeding bull on the farm. And some years as many as three world-famous stock bulls trod the pastures. Cast a look backward over recent years. Any one of the bulls in service would have stood most breeders well for years: Leveldale Blend, Leveldale Peerless, Leveldale Richard, Calrossie Diamond, Leveldale Critic, Leveldale Basis, Aldie Mainliner, Glassingall Research and a host of others.

With a heritage built by years of the careful Mathers breeding program, is it any wonder that Leveldale today is the most respected name in Shorthorns? Every Leveldale sale . . . and every Leveldale stock bull . . . has given the breed world famous sires. This looks like a vintage year.

**LEVELDALE PROGRESS** — This rugged son of Leveldale Richard is one of the better bulls bred at Leveldale. He has a great, strong head; extra good bone; long, smooth, thick body, finishing off with a long, smooth rump and deep, heavy quarters. He has the bottom line that adds to the finesse of a good show bull. Although a March calf, he headed the junior yearling shows at the Illinois State Fair where his dam was reserve champion club heifer two years before. She has developed into a beautiful cow. Progress looks every inch a stock bull!

Leveldale Princess Aggie is the dam of Leveldale Progress, Lot 26. She is one of the best young cows in the Leveldale herd and two years ago was reserve grand champion club heifer at the Illinois state fair. Note her exceptional length of body, strong head and flaring muzzle.

Her dam produced Melbourne Grandee, the \$1,500 bull purchased by Clifford Helgens & Son, Monticello, Iowa, in our 1966 sale, and she now has a top prospect by Remitall Captain Jim at foot. Her granddam has been one of the most consistent producers of top calves we have owned and her 1967 calf may be the best Calrossie Diamond bull we have ever raised. Premium heifers sold in past sales are doing a great job for their new owners, and this heifer should continue to do the same. Sells open.

MELBOURNE CROCUS 3d — One of the growthiest heifers we have ever produced, by a son of Calrossie Diamond that sired several top calves for us, and out of the same cow as Leveldale Cornerstone, the \$5,000 first-prize junior bull calf at the 1959 International. A big, strong heifer from a dependable family, and bred Aug. 3, 1967 to Melbourne Chieftain and examined safe in calf. She was fourth in the spring yearling class at the 1967 Illinois State Fair.

MELBOURNE LANCASTER 10th — There isn't enough that can be said about this heifer from the great Marellbar Lancaster family. Her dam was the top female in the dispersion of that famed herd and has produced very well at Melbourne. Her sire was many times a champion and he has sired several champions for both Melbourne and Wernacres. Lancaster 10th is a thick, breedy, individual, with the kind of fleshing that can be expected in Melbourne Augustine calves. We have several members of this family and those that we have sold have gone on to do well for others. Bred July 17, 1967 to Melbourne Avondale by Calrossie Diamond and examined safe in calf.

MELBOURNE MISSIE 6th — A daughter of Basildon Premium out of the 1964 International grand champion female, Melbourne Missie, herself. Her granddam, S & T Missie, in addition to being a great show heifer, has produced Melbourne Masterpiece, the \$5,800 (for two-thirds) second top of our 1965 sale, and a daughter each by Basildon Premium and Calrossie Diamond for the breeding herd. Her dam produced Melbourne Missie 4th, sold to Cyrus Eaton's Acadia Farms in our 1966 sale for \$1,000 that now has an outstanding bull calf at foot by Remitall Captain Jim. This heifer will please anyone, and has the length and bone so desirable in a brood cow. Will be bred.

LEVELDALE ROAN LADY — A fancy, red daughter of the great sire Leveldale Peerless. She has great depth, thickness and smoothness with a lot of style. Served once to Leveldale Compass on March 25.

ALL ROADS LEAD TO MELBOURNE. Those driving from the east should take the major toll roads by-passing Chicago. They connect with the East-West tollway. Follow that to its end at Route 47. Because of construction take Route 47 south about two miles to Jericho Road and then travel west to the farm. The Holiday Inn, sale headquarters, is at the junction of Highway 31 and the tollway. Those coming from the west may take Route 30 to Big Rock or Interstate 80 (not shown) which intersects Route 47 about 30 miles south of the farm. Keep in mind that Route 30 will be closed from just east of Big Rock to Route 47.

LEVELDALE CONTENDER, junior herd sire at Leveldale.

**L** EVELDALE CONTENDER, left, has been reserved for service at Leveldale to follow his great sire, Calrossie Diamond. Contender is undoubtedly one of the best Diamond sons born to date and has the typical Diamond thickness, character and rapid fleshing abilities.

His dam is a beautiful Aberfeldy cow by Kinellar Novelist. Les Mathers calls her "just the kind you would like to have for the dam of your stock bull. She's straight and correct with a grand head and the capacity of a real producer." She is also the dam of the junior bull calf that won his class for Leveldale at the recent Illinois State Fair.

Year after year, Leveldale has been blessed with a succession of great stock bulls and Contender is the most recent in this illustrious line. For beef bulls with real thickness and hindquarters, do as so many others have done . . . turn to "Herd Bull Headquarters" where they've been good for half a century.

## General Sale Information

**Location** — Melbourne Farm, a mile and a half south of Big Rock, Ill., on Jericho Road. Big Rock is 10 miles west of Aurora, Ill., on U.S. 30. Melbourne is five miles west of the west end of the East-West tollway which connects directly with all major toll roads leading east through Indiana and Ohio. Those coming from the East should take the East-West tollway to Route 47, then south to Jericho road and west to the farm. Melbourne is 20 miles north of Interstate 80, the major expressway which leads west through Iowa and Nebraska. From Interstate 80 exit on Illinois 47 and go north about 20 miles to Jericho Road. Then west on Jericho Road to the farm. Sale will start at 12 noon, Monday, November 6, 1967. Lunch served by a church organization.

**Breeding Dates** — A list showing service dates will be provided sale day. All information from the auction block takes precedence over data in the catalog.

**Guarantee** — All cattle in this sale are sold under Standard Guarantee endorsed by the American Shorthorn Ass'n. A condition of this guarantee is that notices of failure to breed must reach the seller within 6 months of the sale. Shipment will be made as soon as possible after sale, but all stock is at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound condition. The terms of this sale are cash. Settlements to be made with clerk at the conclusion of the auction.

**Health** — All cattle sold in this sale will comply with Illinois health regulations, and health certificates will be provided with each lot sold. Official calfhood vaccination for Bang's is practiced in all of the herds consigning. All cattle have either been vaccinated or will have passed the Bang's test within 30 days of sale. A 60 day T.B. retest will be allowed. The Melbourne herd is Certified for Brucellosis and Accredited for Tuberculosis.

**Liability** — The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Those working on the sale have been employed by the sellers for specific tasks not connected with the condition of the premises and accept no liability for the contract or accident that may occur. Where footnotes appear in this catalog, they were furnished by the owners. The owners will not be responsible for any accidents, but will make every effort to provide for the safety and comfort of those attending.

**Transportation** — Aurora is on the main line of the C B & Q railroad with direct trains from Minneapolis, Omaha, Denver and Kansas City. Other train passengers should go to Chicago from which rapid suburban service is available to Aurora hourly. Melbourne is about an hour's drive via the Tri-State and East-West tollways from O'Hare International airport. If sufficient advance

notice is given the sale manager or the manager of Melbourne Farm, trains will be met in Aurora and planes at O'Hare. Limousine service is available from O'Hare directly to the Holiday Inn on a frequent schedule.

**Sale Headquarters** — The Holiday Inn, North Aurora, Ill. Located at the junction of U.S. 31 and the East-West tollway. Transportation will be provided from the Holiday Inn to the farm.

**Show Rights** — Show rights will be retained on some of the sale cattle through the International Livestock Exposition. Announcements will be made on sale day.

## THE SALES STAFF

**MAIL ORDERS** — Those unable to attend who desire to take advantage of the buying opportunities in this sale may send buying orders to any of the following reliable men, all of whom will be in attendance, or to any of the owners.

Collynie Rosewood 16th  
Red, H. L. Wernicke & Son

WERNACRES ROSEWOOD 39th — Just a year old, this Rosewood is from the same family as the open heifer sold to Cary Colburn, Harrisonville, Mo., in the 1966 sale. Remember that Melbourne Augustine has sired the champion or reserve champion bull of the last two Illinois State Sales and the heifer that topped our 1966 consignment at \$1,000. Sells open.

MELBOURNE AUGUSTINE, International reserve grand champion and Denver grand champion, is in service in both the Wernacres and Melbourne herds and is proving a great sire. One of his daughters is shown on the back page of this catalog — Melbourne Goldie Grace, senior champion of the 1967 Illinois State Fair.

DAM:		
Buttercup Goldie 3d White, Arnold & Brooks		

BUTTERCUP GOLDIE B 3rd — This fancy open heifer comes from the same family that produced our top-selling open heifer of the breed in 1964 that sold to Melbourne at \$2,600. There she produced Melbourne Goldie Grace that was three times first at the Illinois State Fair and this year was senior champion. Our fullest recommendation goes with this heifer that has every right to produce as well as a long line of Millhills Goldie cows at Shore Acres. Sells open.

# Welcome to Melbourne

Dear Friends:

**E**ACH MEMBER of the Alexander family looks forward with great pleasure to welcoming our old friends and customers to Melbourne on November 6. We hope those of you making your first visit will find the trip equally rewarding.

Much has been accomplished in the last year, and we hope that you allow yourself enough time to see the entire operation. Many have asked about the first calves by Remitali Captain Jim. They are just what we expected; but don't take our word for it, see them yourself on sale weekend.

Those of you interested in the commercial operation will want to take time to see the lots where more than 2,000 steers are finished annually. We'll also enjoy taking you through the large cow herd and the young bulls that are slated for the 1968 sale.

It is a great pleasure to be joined in this sale by our good friends and neighbors from Leveldale, Prairie Creek, Wernacres, Shore Acres and Carusbrooke. Their cattle are good ones and we recommend them as we do our own.

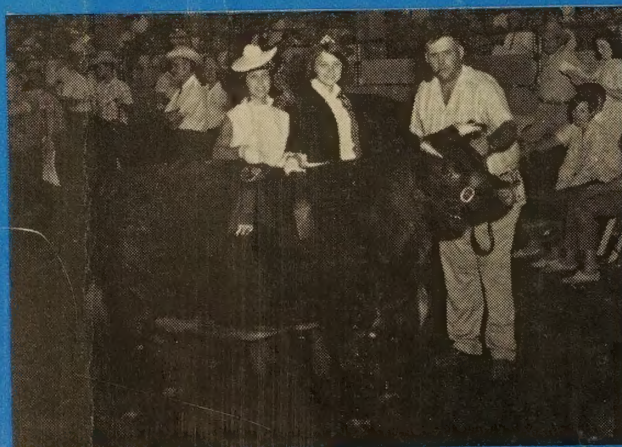

Come as early as you like on sale weekend and plan definitely to be our guests at buffet dinner on Sunday, November 5. We look forward to greeting you in person.

Cordially,

*John Alexander*

## DELIVERY OFFER

Provided that Melbourne makes the arrangements, they will guarantee a maximum cost of \$50 a head to transport any purchase from the 1967 Melbourne sale to centrally located points within the continental United States including the International, Ak-Sar-Ben National Sale in Omaha, and to the National Western in Denver. Any other shipments will be combined to central points to make shipping as simple, inexpensive and convenient as possible.

MELBOURNE GOLDIE GRACE by the International reserve grand champion Melbourne Augustine is shown winning the senior championship of the 1967 Illinois State Fair. This is the third year she has been first at that big show. Winning as a two-year-old this year, she had calved a heifer by Melbourne Pemberton in February that will be in the show herd later this year.

## ARRIVE EARLY

Arrive early Sunday, November 5, to inspect the sale cattle and Melbourne herd. Then join your hosts at dinner in the Tollgate Inn in North Aurora. It is just north of the sale headquarters. See map on page 23.
